In 1998, a memorial fund was established at the McCord Road Christian Church following the death of Dr. Donald Martin. Don was an active member, a general surgeon and man of strong Christian faith and convictions who was also interested in encouraging young people in scientific study.

The purpose of this program is to recognize and encourage students in high school who have a high proficiency and commitment to a field of scientific inquiry as well as a demonstrated commitment to the historic Christian faith. **The award is a \$500.00 scholarship.**

**\*\*This is a two-sided application form\*\***

- The following are essay questions. Please use a separate sheet of paper for each essay. Essays should be a maximum of 300 words each.
  1. Please discuss the nature of your commitment to the scientific field (e.g. origin of your interest, specialization, future goals, most exciting aspects).
  2. Describe your own journey of faith. How is your commitment to Jesus Christ expressed in your daily life (e.g. church, school, home, community)?
  3. Science and faith are sometimes viewed as being incompatible. What are your own convictions? struggles? How do these two important areas of your life interface with each other?
- Please provide the names of three references who can speak to your interest and accomplishments in areas of your religious faith and scientific endeavor. At least one reference should be a school advisor or teacher.
- Please send one letter of recommendation from a science teacher.
