

## Holiday Charity Drive was a Huge Success

Student Council would like to thank all of you who helped in any way with the Holiday Charity Drive. Our goal was to help 8 local families have a Merry Christmas by helping with gifts and food. We did so well that we were able to buy gift cards for two additional families that had not been adopted, so in total helped 10 families! Our total raised from the bake sale, movie and monetary donations from faculty and staff was \$3,751.83! Gifts, food, etc were also donated with an approximate value of \$1,300, putting our total over \$5,000! Thank you so much, this would not be possible without everyone's

help!!!!
