

AW Choirs Performed with the OMEA District I Honors Choir

The Anthony Wayne Choirs were strongly represented at the Ohio Music Educators Association District 1 Honor Choirs at the culmination concert on Sunday, January 29 at the Stranahan Theater. The high school choir members auditioned in November to be selected for the 100 voice choir.

The selected choir members were given college level music to learn prior to the event and began rehearsing together with the other district singers on Thursday evening, January 26 as well as Saturday, January 28 from 9:00 a.m. until 4:00 p.m. Dr. Timothy Cloeter, BGSU Collegiate Chorale and Men's Chorus director, conducted the high school honor choir.

Our junior high students also performed with the Ohio Music Educators Association Middle School Honor Choir on January 29. These students were selected upon recommendation of their school director and rehearsed the same hours as the high school group.

The middle school choir performed high school literature and was conducted by Eric Richardson, retired Head of Choral Activities of Westlake High School.
