Kindergarten Health Forms

Dear Parents,

Welcome to Anthony Wayne! You will find two Kindergarten Health Forms to download from the online registration process, Physician's Report for Kindergarten and the Oral Assessment. You may return your completed forms during your registration appointment or to your child's building office. It is highly recommended you take your child for a professional eye examination. Vision disorders are the fourth most common disability in the United States and the most prevalent handicapping condition during childhood. Minimal vision screenings are conducted at school in the fall.

Please take note, an *up-to-date* Immunization Record (including 5-year-old shots) must be turned in to the office by **WEDNESDAY, SEPTEMBER 7, 2022** or your child **WILL be excluded from school starting THURSDAY, SEPTEMBER 8, 2022.** This is in accordance with Ohio law (Ohio Revised Code 3313.67/3313.671).

Physician's Report for Kindergarten

- To be completed and signed by your child's **Physician.** Please have this form completed from your child's **5th year physical exam.**
- A copy of your immunization record is acceptable.
- Letter of Objection is needed for any immunization objection. You can obtain this form from your building's nurse.

Oral Assessment

- To be completed and signed by your child's **Dentist**

Please call the school office if you have questions, we would be happy to help you.
