

Toledo Zoo offerings for families

IN ADDITION TO VISITING THE ZOO, FAMILIES HAVE MANY OPPORTUNITIES TO JOIN US FOR A VARIETY OF EDUCATIONAL PROGRAMS.

CAMPS

Summer Safari Camps (June–August): week-long experiences featuring fun live animals, games, activities and crafts. Half-day options offered for 4-5 year olds. *Registration for summer begins in February; Zoo members receive early access.*

Camp for a Day: Check back often for new offerings! Camps are often held on days when schools are closed throughout the year (ex. President's Day, Spring Break, Thanksgiving Break). Perfect for parents or caregivers preparing for the holidays or looking for a way to keep minds active during breaks from school.

SNOOZES AND TWILIGHT TREKS

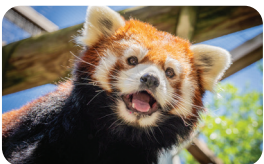

Snoozes and Overnights: Join us for a family overnight at the zoo - an experience you will always remember! Activities include animal meet & greets, Keeper talks, and night hikes before settling in for the night. *Participants must be 5 years old and accompanied by an adult.*

Twilight Treks: Bring the family for an evening adventure! Similar to our snoozes, activities include animal meet & greets, Keeper talks, and a tour of Zoo grounds.

ADDITIONAL OFFERINGS

Animal Tales (Ages 3–5), **Shake, Rattle & Roll** (Ages 12–36 months), and **Stroller Safari** (Ages 0–3 years): Sessions are themed including topics such as Animal Athletes, Nursery Rhymes and holiday themes. Join us at the Zoo for stories, dancing, singing and games!

BEHIND THE SCENES TOURS

Make your next Zoo visit the most wild one ever and add a behind-the-scenes tour to your day! During this unforgettable adventure, you will learn how we care for your favorite animals! Check back often - some tours are offered seasonally and new offerings may become available. *Please review our policies including age restrictions and pricing prior to reserving a tour.*

SPECIAL EVENTS

Check our zoo website for other special events for families including Teddy Bear Care Fair (March), Kidsapalooza (June), BUGFest (August), Sturgeon Fest (October), ZooMazing Race for Families and many holiday events.
