April 2025

BIG SPRING CLEANING BOOK SALE! At the Library-

Friday April 11 from Noon – 6 pm. Saturday April 12 from 11 am to 3 pm.

Other programs are listed below...

Hello Friends of the Whitehouse Community Library,

Just a brief update on what's going on at the Whitehouse Community Library. You may know that the Toledo Lucas County Public Library will be constructing a new branch in Whitehouse at Blue Creek Metropark. In a one-of-a-kind partnership with Toledo Metroparks, this branch will deliver literacy and conservation programming, providing residents a space to gather, learn, and engage in unique opportunities. The original intention for creating our library was to provide library services until TLCPL could justify a new branch. That has now come to fruition, and we fully support this exciting development for the area!

The new branch will be on the site of the current Whitehouse Community Library, so that means we will eventually be closing after over 21 years of service. **BUT – not right away!!** The timeline is subject to change but the new branch will likely not be complete until early 2028, so we plan to serve your needs for another couple of years! Please visit us as you have in the past and participate in our programs. We value your support. Thank you.
