JOIN THE UNIVERSITY OF TOLEDO MATH CIRCLE FALL SESSION

Fall 2026

Tuesdays | 6-8 p.m.

Tuesday, Sept. 8 through Tuesday, Dec. 8

University Hall, Room 4170

UToledo Main Campus

UToledo Math Circle Fall Sessions are the place for High School students who want to challenge themselves and have fun while learning!

Details:

There is **no cost** to participate. **Participant space is limited. Participants must obtain consent to walk to and from the meetings unsupervised due to low staffing after hours.** Metered parking is available in Area 1S or 13 on main campus (there is no free parking).

What to Expect:

- Work on fascinating and tricky math problems.
- Learn from professors who have competed in the International Mathematical Olympiad (IMO), the premier international mathematics competition for high school students, and earned Honorable Mention recognition.
- Grow your problem-solving skills in a friendly, supportive environment.
