OCTOBER 2026

A note from the nurse:

Fifth grade students will be participating in health screening on Thursday, October 22nd. The health screening according to the Ohio Department of Health regulations will include vision and hearing screening for boys and girls. In addition, girls will be screened for scoliosis.

The district nurses will be completing the health screenings by 5th grade homeroom class. If your child wears contacts or glasses please make sure they are wearing them that day. If you have any questions please contact the Fallen Timbers nurse, Amy Baburek at ababurek@anthonywayneschools.org

Due to the volume of students screened on this day, some students will be screened earlier than October 22nd.
