Anthony Wayne Local Schools has completed four (4) formal bullying investigations during the second semester of the 2025-2026 school year. All four occurred at Fallen Timbers Middle School. Of the four formal investigations that were completed, none were found to meet the definition of Board Policy 5517.01 "Bullying and Other Forms of Aggressive Behavior."

The formal investigations do not account for the number of inappropriate behavior incidences that were investigated and dealt with.
