

## Anthony Wayne Local Schools Transportation Request Form

As parents/guardians of our son/daughter \_\_\_\_\_, we understand that the usual policy regarding school sponsored student transportation/trips is that students must leave school and return to school by bus.

Unusual circumstances have arisen, as described below, that require our son/daughter to travel by means other than the abovementioned school bus.

We, therefore, give our complete approval and assume responsibility for the safety and well being of our student immediately upon the detachment from the school sponsored activity.
