2021 - 2022 Season Highlights

AWGTB is pleased to announce tryout dates for our 11th season. Last season our teams participated in leagues at Defiance, Eastwood, & Perrysburg as well as in several local and regional tournaments in NW Ohio, NE Indiana & SE Michigan. We continue to use our financial resources, in addition to our gifts of time & talent of our board members and school coaching staff, to further develop our players and volunteer parent coaches. Our goal is to continue to build an elite youth basketball program and to provide our players, coaches and families the best organized basketball experience possible.

AWGTB Purpose Statement

Our purpose will be accomplished through:

- a thorough and fair evaluation and selection process.
- teaching the fundamentals of basketball, the value of hard work, the importance of discipline, and the life-long lessons of teamwork.
