Anthony Wayne High School CLASS SCHEDULE CHANGE REQUEST FORM

PLEASE READ CAREFULLY: It is made clear that from the time a student returns the course request form (February) until mid June a student may request a schedule change. It is important to realize that our master schedule is based upon the student requests made in February. Once classes are scheduled, it is difficult to make a schedule change because many classes will be at or near capacity.

Changes will be made only if the request meets one of the following criteria: 1. The student failed a previous course. 2. You have taken this class in the summer. 3. A technical error was made in the process of scheduling the student's request. 4. The requested course is not offered or in conflict. 5. The student did not meet the prerequisite for a course. 6. Senior English and/or Math course load are unbalanced. The following are not typically reasons for granting a schedule change: 1. To request a certain teacher. 2. To have a specific study hall or a specific class during a specific period. 3. To have a class with a friend. 4. To have a specific lunch. 5. Because you simply changed your mind. If you feel you have an educationally sound reason to request a change please use ack of this form to explain how this change would improve your educational goals.
