

ANTHONY WAYNE LOCAL SCHOOLS

2015-16

A successful school district places a high degree of importance on ensuring that all children have the opportunity to reach their full potential inside and outside of the classroom. This profile helps characterize the overall educational value of our school district in areas that matter most in our community.

Why Local Schools Quality Profile?

The Anthony Wayne Local School District community places an extremely high value on education and expects its schools to provide well-rounded, world-class experiences that prepare students for success in college, career and life. This type of education goes far beyond what is measured by the report cards issued by the Ohio Department of Education, which focus primarily on the results of the standardized tests given to students in certain grades. The purpose of the Quality Profile is to provide “the rest of the story,” giving the Anthony Wayne community a full and transparent report on how our schools are performing in the areas that matter most to our community.

Anthony Wayne Local Schools is committed to providing the community regular updates on events, achievements and financial matters.

- The 5th grade students also had a Space Day that was engaging, informational, and included parent volunteers.
- All of our 6th grade students attended Outdoor Education at Camp Michindoh. Students spent a week learning more about science, teamwork, outdoor skills, and goal setting.
- The high school National Honor Society had approximately 30 students tutor FT students once each week.
- Each classroom at Anthony Wayne has a solution for the instructor to project their computer and interact with that content in front of the students. SmartBoards, LCD Televisions with Apple TV, and LCD projectors are some of these solutions.
- There are over 4500 computing devices, specifically, Apple iPads, Chromebooks, MacBook Air, and MacBook Pro, in use at Anthony Wayne. Carts, computer labs, and individual classroom devices are included in this total.
- These devices were chosen and assigned to faculty after a detailed needs assessment that determined: 1. which device is most age appropriate for the student. 2. which type of device best fits the curriculum requirements and instructional designs of the specific faculty member using the device. Ongoing assessment will continue in an effort to ever enhance the instructional process for both our faculty and students.

FISCAL STEWARDSHIP

Financial responsibility ensures that the majority of funding is spent on classroom instruction.

In Ohio, the funding of schools is shared between three main sources: Federal, State, and Local Funding. The Federal and State governments determine the amount of funding schools will receive each year based on what they determine to be adequate.

The AW School District, considered a high wealth district by the State, receives approximately 21% of our funding from the State compared to the State average of approximately 44.11%.

- The property tax rate paid by Anthony Wayne residents (38.51 mills) is the lowest of the eight schools in Lucas County along with our neighboring district Perrysburg Exempted Village School District.
- The Ohio Auditor's Office awarded the AW School District in 2014 with the Ohio Auditor of State Award for exemplary financial reporting.
- The AW School District continues to see some of the highest levels of student academic achievement while having some of the lowest costs in the area. The AW expenditure per pupil, as reported in the FY2015 Cupp Report from the Ohio Department of Education, is the second lowest in Lucas County.

Cost per Pupil:

- AW \$9,837
 - State Average \$10,984
 - Ottawa Hills \$14,251
 - Washington Local \$11,863
 - Maumee \$11,582
 - Toledo Public \$12,674
 - Sylvania \$10,908
 - Perrysburg \$10,412
 - Springfield \$9,772
- AW is involved in several consortiums that assist in receiving services and reducing costs with other districts. For example, Ohio School Council, Metropolitan Education Council, Maumee Valley Operating Managers, and State Purchasing Cooperative of Vendor Contracts are just an examples of groups we work with to reduce expenditures.
 - The AW District works to influence state funding by ensuring legislators are aware of the impact state funding reductions will have on students, the community, and the district. The district also works with professional organizations to lobby legislators to provide a long-term solution to school funding.

PARENT & COMMUNITY INVOLVEMENT
