

***Asbestos Statement***

Anthony Wayne Local School District maintains some asbestos containing building materials (ACBM) in some of its buildings. These materials are maintained and monitored in a safe, non-friable condition. An inspection by EPA certified personnel is conducted every 3 years. Additional information may be obtained by contacting the District's Asbestos Designated Person, D. Matt Dick, at the Burdo Building during normal business hours, or by telephone at (419) 877-1200.
