

Anthony Wayne Generals Travel Basketball

Girls Travel Basketball Grades 3-6

The Girls Travel Basketball program is designed to educate and empower confident young ladies through the sport of basketball. We develop and teach all players the same basketball language, fundamentals, and strategies to build continuity and consistency within each level of the Lady Generals basketball program from grade 3-12. This program is designed for girls who are currently enrolled in 3rd through 6th grade and live in the Anthony Wayne School District.
