School attendance laws for the state of Ohio do not provide for excused absence for vacations. However, we will accept prior or makeup academic work under the following conditions:

- Notification to the student's teachers five (5) school days in advance.
- Parents or legal guardian accompany the student.
- The student's attendance record and grades are of an acceptable level.
- Prior work or makeup work will be submitted according to reasonable guidelines established by each of the student's teachers.

Step 4: Return to the office PRIOR to leaving on vacation.

Every parent or guardian of a child has the obligation to see that he/she is in attendance during all school calendar days, except for cases of personal illness or illness in the family, death of a relative, or observance of a religious holiday. Therefore, the parent's/guardian's signature upon this statement signifies that they accept full responsibility for the absence of their child from school for the days indicated on this form.

Likewise it is understood that the administrator's signature does not indicate approval of the student's absence, but only that he/she is aware of the absence.
