Student Directory Information:

The directory is an amazing tool that parents/caregivers and students can use to connect with other families for playdates, carpooling, homework help, and so much more. The directory order came home on a bright orange sheet of paper. To purchase a directory you will need to return the orange order form with \$5. To be included in the directory, there are two options. The first option is to fill out the opposite side of the orange order form with all the information. The second option is to fill out the google form here: [WPA Directory](#)

Birthday Books

Student's Name: _____

Teacher's Name: _____

It's time to shop for a birthday book!

Please have your student bring in their birthday book, wrapped as a present, on or around their birthday. Students will unwrap their book in the classroom with their teacher and share with their class what book they chose.

The teacher will then send the book to the library and Mrs. Kistner will place a Birthday Book label inside the front cover with your student's name, date and grade. The book is now a part of Waterville Primary Library!

We encourage you to let your student help pick out the book that they would like to donate. It can be an old favorite, a new favorite, or a book that your student thinks looks fun! If your student loves it - then other Waterville students will love it too!

Thank you for celebrating your student's birthday with a book donation to Waterville Primary's Library!

**Please note: books should be new, hardcover, and appropriate for grades K-4.*

WPA FALL NO BRAINER FUNDRAISER!!!

This is the ULTIMATE Fall Fundraiser! You will still receive information from the school about all WPA fundraisers and events, and you can still be involved and participate in anything you'd like; however, if you are unable to (or just don't want to), then you can disregard those messages (guilt free) and instead opt to support the WPA this semester with a one time no strings attached donation

(Thank you in advance for your support)

- \$15 I do like to have frozen cookie dough on hand, so I'll buy 1 thing, but here is some extra money to support the cause.
- \$25 I do not want to bake, wrap, or sort anything, here is money in exchange for my time.
- \$50 I do not want to hit up friends, family and co-workers, here is the money they would have spent on wrapping paper.
- \$75 I do not want to drive around and ask local businesses for donations or put together a "goodie basket," here is the money I would have spent on gas, cellophane, ribbon and gift cards.
- \$100 I really would not have helped in any way, but here is some money because I do LOVE our AWesome school.

_____ I am making this donation to express my appreciation for not having to buy, sell, or do anything, except fill out this form and return it to Waterville Primary in my child's backpack in order to support WPA.

| Advantages for Parents/Guardians/Families | Advantages for Waterville Primary |
|---|---|
| You will not have to purchase items you really do not want. | The WPA retains 100% of your donation to invest back into our school. |
| You will not have to ask friends and family to contribute. | The WPA can continue to offer low-cost, family friendly activities for students and families. |
| Your contributions are tax deductible. | The WPA can continue to support our school with technology, enrichment programs, and teacher supplies. |
| It's quick and easy! | Past WPA funds have been used to purchase 100's of Chromebooks for classrooms, the school's 3D printers, funding for the Prairie Project, and much more!! |
