Total Solar Eclipse:  
A Stellar Friendship Story

by Jayme Sandburg

Sun is seriously out of sorts about the upcoming total solar eclipse. Will Earthlings go blind watching it? What will they think when Sun's dependable light suddenly vanishes in the middle of the day? How could Moon betray their stellar friendship? Or will the sun shine in a totally different way? Login to our Facebook page and find out.

Stop in and pick up your very own "stellar" coloring books.

Fiction, Non-Fiction, Children's Books, Record Albums, Collectable Classic Fiction, Collectable Comics. We have it all for sale at the Whitehouse Library's Book Sale.
